Article That is Really an Opinion

What to look for before you print.

Document Type: This might help you figure out whether or not the author is trying to persuade you of his/her point of view. Even though it doesn’t show that it is an editorial this is an opinion piece.

Abstract: Read it carefully because it will provide hints as to whether or not the author intends to inform, explain, or persuade. Notice that the author is trying to persuade you that his ideas are what you should believe.
